22 November 2022

Dear Parents / Guardians,

**Coronavirus Disease 2019 (COVID-19)  
A Student with Confirmed COVID-19 Infection**

The College was informed today about a confirmed case of COVID-19. It involved a Secondary 6 student who last returned to school on 21 November. The student concerned wore a surgical mask throughout the school hours.

The College reported the case to the Education Bureau (EDB) upon receiving the information. Based on the 'Prevention of COVID-19 - Health Protection Measures for Schools' issued by the EDB, we have ramped up cleansing and disinfection efforts on the school premises immediately and we will continue to keep parents and students informed of the changes as they occur.

Students are advised to stay home to minimize the risk of infection beyond class time and always pay attention to their health such as regulating their rest time. Students must undergo the Rapid Antigen Test (RAT) every morning and fill in the record form which parents or guardians should sign to confirm that the result is negative before allowing their child to go to school.

Again, the College would like to urge parents to put in place appropriate preventive measures to guard against the spread of COVID-19 based on the health advice from the Centre for Health Protection (CHP). For details, please visit <https://www.coronavirus.gov.hk/eng/health-advice.html>.

Our school will keep close contact with the CHP and closely monitor the health conditions of our staff and students. If parents want to obtain more information on COVID 19, please visit <https://www.coronavirus.gov.hk/eng/index.html> or call the CHP hotline on 2125 1111 or 2125 1112. For enquiries about the College, please contact your child's mentor or the General Office at 2390 5010 or 2392 4162.

Yours faithfully,

Mr. Yau Man Kwong  
Principal
